Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Thursday 25 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy with scattered showers tonight. Some heavy rain on Friday.

This Evening and Tonight:
A fine and dry evening with decent clear spells initially. However, it'll become breezy and cloudier with scattered showers spreading east later in the night, particularly along coastal areas. Some places are likely to stay dry though. Minimum temperature 7 deg C (45 deg F).

Friday:
Increasingly windy with scattered showers in the morning. A spell of heavy rain will move east across the region later, followed by lighter winds and clearer skies. A chilly evening. Maximum temperature 14 deg C (57 deg F).

Outlook for Saturday to Monday:
Chilly, bright and breezy on Saturday with showers fading. Windy and milder again later, largely cloudy and dry on Sunday but a chance of sunshine on Monday.
